

AFRICAN-EUROPEAN GEORESOURCES OBSERVATION SYSTEM

Kick-off Meeting and Launching Conference Cape Town, South Africa – 6th and 9th February, 2009

Provisional agenda

(Updated 25th January, 2008)

Venue: Cape Town Lodge Hotel 101 Buitengraght Street – Cape Town 8001 – South Africa http://www.capetownlodge.co.za

KICK-OFF MEETING - 6th February - 9h00 to 18h00

Purpose: Formal kick-off of AEGOS project Detailed presentation of the work programme to project participants

Attendance: All AEGOS partner representatives, i.e. General Assembly members + Advisory Board members + Subcontractors + Associate partners

Note: this list of presentations has been made during the pre-kick-off meeting in Brussels. It may be revised in January.

8h30 – 9h00: Registration

9h00 - 15h30: Kick-off Meeting

٠	Opening address by the host (Council for Geoscience)	10 mn
٠	Opening address by the Project Coordinator (BRGM)	5 mn
٠	Project context and overview by the project Coordinator (BRGM)	15 mn
٠	Presentation of EC expectations and guidance by the EC representative	20 mn
٠	Workpackage presentation by each WP leader (9 presentations)	9 x 10 mn
٠	2 Projects / initiatives related to AEGOS	2 x 15 mn
٠	Questions – Discussion	3 x 10 mn

Conclusion

12h30 – 14h00: Lunch break and Group photo

15h30 – 17h00: General Assembly Meeting

٠	Consortium Agreement	15 mn + 15 mn discussion
•	Administrative and financial procedures	15 mn + 15 mn discussion
•	Project management and reporting	15 mn + 15 mn discussion

17h00 – 18h00: Steering Committee meeting

• Formal decisions to be taken (work programme, logo, etc.) 60 mn

LAUNCHING CONFERENCE - 9th February - 9h00 to 17h00

- Purpose:
 Formal Launching Conference of AEGOS project

 Presentation of the project context, work programme overview, invited presentations
- Attendance: All AEGOS partner representatives, i.e. General Assembly members + Advisory Board + Invited guests + Associate partners + End-users

13h30 - 14h00: Registration

14h00 - 16h00: Welcome address and introduction presentations

 Opening address by VIP (Ministry of Energy and Mines, South Africa) (5 mn) Opening address by European Commission representative (5 mn) Opening address by Project Coordinator (BRGM) (5 mn) Keynote address by ACP Group of States Secretariat (5 mn) Keynote address by African Union (5 mn) Keynote address by Organisation of African Geological Surveys (5 mn) Keynote address by EuroGeoSurveys (5 mn) Context of sustainable development of georesources in Africa (UNECA) (10 mn) Context of sustainable development of geothermal energy in Africa (IHP) (10 mn) Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Questions – Discussion (20 mn) 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 		 Opening address by the host (Council for Geoscience, South Afica) 	(5 mn)
 Opening address by Project Coordinator (BRGM) (5 mn) Keynote address by ACP Group of States Secretariat (5 mn) Keynote address by African Union (5 mn) Keynote address by Organisation of African Geological Surveys (5 mn) Keynote address by EuroGeoSurveys (5 mn) Context of sustainable development of georesources in Africa (UNECA) (10 mn) Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Questions – Discussion (20 mn) 16h00 – 16h30: Health break 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 	•	 Opening address by VIP (Ministry of Energy and Mines, South Africa) 	(5 mn)
 Keynote address by ACP Group of States Secretariat (5 mn) Keynote address by African Union (5 mn) Keynote address by Organisation of African Geological Surveys (5 mn) Keynote address by EuroGeoSurveys (5 mn) Context of sustainable development of georesources in Africa (UNECA) (10 mn) Context of sustainable development of underground water resources in Africa (IHP) (10 mn) Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Questions – Discussion (20 mn) 16h00 – 16h30: Health break 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 	•	 Opening address by European Commission representative 	(5 mn)
 Keynote address by African Union (5 mn) Keynote address by Organisation of African Geological Surveys (5 mn) Keynote address by EuroGeoSurveys (5 mn) Context of sustainable development of georesources in Africa (UNECA) (10 mn) Context of sustainable development of underground water resources in Africa (IHP) (10 mn) Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Questions – Discussion (20 mn) 16h00 – 16h30: Health break 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 	•	 Opening address by Project Coordinator (BRGM) 	(5 mn)
 Keynote address by Organisation of African Geological Surveys (5 mn) Keynote address by EuroGeoSurveys (5 mn) Context of sustainable development of georesources in Africa (UNECA) (10 mn) Context of sustainable development of underground water resources in Africa (IHP) (10 mn) Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Questions – Discussion (20 mn) 16h00 – 16h30: Health break 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 	•	 Keynote address by ACP Group of States Secretariat 	(5 mn)
 Keynote address by EuroGeoSurveys (5 mn) Context of sustainable development of georesources in Africa (UNECA) (10 mn) Context of sustainable development of underground water resources in Africa (IHP) (10 mn) Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Questions – Discussion (20 mn) 16h00 – 16h30: Health break 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 	•	 Keynote address by African Union 	(5 mn)
 Context of sustainable development of georesources in Africa (UNECA) (10 mn) Context of sustainable development of underground water resources in Africa (IHP) (10 mn) Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Questions – Discussion (20 mn) 16h00 – 16h30: Health break 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 	•	 Keynote address by Organisation of African Geological Surveys 	(5 mn)
 Context of sustainable development of underground water resources in Africa (IHP) (10 mn) Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Questions – Discussion (20 mn) 16h00 – 16h30: Health break 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 		 Keynote address by EuroGeoSurveys 	(5 mn)
 Context of sustainable development of geothermal energy in Africa (ARGEO) (10mn) Questions – Discussion (20 mn) 16h00 – 16h30: Health break 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 	•	 Context of sustainable development of georesources in Africa (UNECA) 	(10 mn)
 Questions – Discussion (20 mn) 16h00 – 16h30: Health break 16h30 – 18h00: Project presentation and related initiatives Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 	•	 Context of sustainable development of underground water resources in Africa (IHP) 	(10 mn)
16h00 - 16h30: Health break16h30 - 18h00: Project presentation and related initiatives• Group of Earth Observation - GEOSS (GEO representative in South Africa)• Project overview (1/2) by Project Coordinator (BRGM)• Project overview (2/2) by African partner: project highlights and expectations• 2 Projects / initiatives related to AEGOS(2 x 10 mn)	•	 Context of sustainable development of geothermal energy in Africa (ARGEO) 	(10mn)
16h30 – 18h00: Project presentation and related initiatives• Group of Earth Observation – GEOSS (GEO representative in South Africa)(10 mn)• Project overview (1/2) by Project Coordinator (BRGM)(10 mn)• Project overview (2/2) by African partner: project highlights and expectations(10 mn)• 2 Projects / initiatives related to AEGOS(2 x 10 mn)	•	Questions – Discussion	(20 mn)
 Group of Earth Observation – GEOSS (GEO representative in South Africa) (10 mn) Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 		16h00 – 16h30: Health break	
 Project overview (1/2) by Project Coordinator (BRGM) (10 mn) Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 		I6h30 – 18h00: Project presentation and related initiatives	
 Project overview (2/2) by African partner: project highlights and expectations (10 mn) 2 Projects / initiatives related to AEGOS (2 x 10 mn) 	•	 Group of Earth Observation – GEOSS (GEO representative in South Africa) 	(10 mn)
• 2 Projects / initiatives related to AEGOS (2 x 10 mn)	•	 Project overview (1/2) by Project Coordinator (BRGM) 	(10 mn)
•	•	 Project overview (2/2) by African partner: project highlights and expectations 	(10 mn)
Project impacts for end-users community (10 mn)		2 Projects / initiatives related to AEGOS	(2 x 10 mn)
		 Project impacts for end-users community 	(10 mn)
Conference closing: conclusion address by Project Advisor (5 mn)		 Conference closing: conclusion address by Project Advisor 	(5 mn)
Questions – Discussion (20 mn)	•	Questions – Discussion	(20 mn)

19h30: Conference Dinner for AEGOS team members, Advisory Board and invited guests.
